

# KIEPERSOL Texas Fizzy Vit

## The Fizzy Story

Fizzy Vit was born out of a collaboration with Spoetzl Brewery in Shiner, Texas. The original Fizzy Vit married the passions of brewing and winemaking in Texas taking Shiner yeast, that has made the iconic Texas brand for over a century, and using it to kick off a secondary fermentation resulting in the “fizz” in the Vit. A long-time fan favorite, the Kiepersol Vit, gets a little help from our friends and tantalizes your taste buds with a little tickle on the tongue. This semi-sweet bubbly comes in four 187ml cans and is perfect on the go for any occasion.

## Tasting Notes

Fizzy Vit is a symphony of the white varieties of Kiepersol. Stylistically in line with a Chenin Blanc or a Riesling, this Prosecco-style white table wine has become the flagship of the estate with hints of citrus, apricot and honeysuckle luring you in with a touch of sweetness and tantalizing pearls of bubbles.

## Texas Grown, Texas Owned

100% Single Vineyard Estate Grown  
50% Black Spanish, 30% Sangiovese, 10% Blanc du Bois, 10% Muscat  
13.8% alc. by vol.
