

KIEPERSOL

2019 KIEPERSOL VIT *Tropical Paradise*

T rue to its tropical roots, the 2019 Vit portrays a luscious nose of orange blossoms and white flowers followed by refreshing citrus on the palate. Vit is stylistically in line with a Chenin Blanc or a Riesling and is not too sweet, not too dry, with balanced acidity. You will be transported to a fresh summer state of mind no matter the season.
