## 2020 Texas Sangiovese

KIEPERSOL

... I flew to Texas as fast as I could”

~ Pierre de Wet, Founder of Kiepersol

### {teks-eeek}

adjective

1. a Texan of unique character
2. having no equal in Texas

### THE TEXAN

If there ever was a unique Texan, it was Pierre de Wet, Founder of Kiepersol. He just had a Texique about him. A native of South Africa, he brought the perfect blend of Africa and Texas to the wines of Kiepersol. Explosive charm and a flavor for life characterized Pierre himself and the wines he crafted.

### THE SANGIOVESE

Big, silky, and smooth reflects the palate of the Texique series. There is an edginess and worn creases in this wine that take perspective to appreciate. It is unfiltered and truly the purest expression of our vineyard.

The nose presents with tart strawberry, raspberry, and black cherry. The ease of the palate evokes baking spices like cinnamon and a woody plum.
