

# Jimmy's 100

TEXAS STRAIGHT BOURBON WHISKEY

100 PROOF

THROUGH HERO'S EYES

## A TEXAS BORN HERO

As bold as WW II torpedo bomber pilot Jimmy Hines, this Texas bourbon embodies his heroic adventures as well as a freedom found in no other spirit. Aged up to four years, Jimmy's is a true Texas icon.

## JIMMY'S GOLD

The cult spirit Jimmy's 100 debuts as a special blend crafted not only by our distiller at Kiepersol, but the Jimmy's connoisseurs themselves. A gathering of the expert palates happens once a year in the barrel room. The camaraderie, a chance to taste multiple barrels and create unique blends culminates in a vote to choose a winning blend. It is truly less than 30 bourbon drinkers that help create the finishing touches of this impeccably fine Texas-made bourbon. Each batch is a small batch.
