

KIEPERSOL

## PAUL GLEISER'S TEXAS BLEND *Special Reserve by Kiepersol*

Paul Gleiser, lifelong broadcaster, owner of KTBB Radio and longtime spokesman for Kiepersol, has lent his name to this rich Bordeaux blend to help mark the opening of the reimagined Kiepersol. Paul's palate runs to the bold while his style runs to the sophisticated. The smooth finish of this wine, that was crafted to please Paul's palate, is evocative of his smooth on-air delivery of the story of Kiepersol and its wines. The lengthy oak aging is a tribute to two East Texas icons -- Paul Gleiser and Kiepersol -- each committed to the other for more than 20 years.
